**Description:** A request to install a small cell network on top of a Southern California Edison streetlight pole with an antenna inside a radome that is 24 inch in height and 8 inch in diameter and the RRUs attached on each side of the pole. The installation will require the removal and replacement of the existing pole, and an underground utility pull box for fiber and power to the new pole.

**Environmental Determination:** The project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) under Section 15303 (Class 3), New Construction or Conversion of Small Structures.

**Public Comments:** There will be **no public hearing** on this request. Oral or written comments must be received by the Planning Division prior to the decision date (see above). The decision letter (and any related conceptual plans, as applicable) can be downloaded from the City's website following the decision date at: <http://www.costamesaca.gov/index.aspx?page=940> If you challenge this action in court, you may be limited to raising only those issues you, or someone else raised, prior to the decision date. For more information, call (714) 754-5245, or visit the Planning Division on the Second Floor of City Hall, 77 Fair Drive, Costa Mesa, California. The Planning Division is open 8:00 a.m. to 5:00 p.m. Monday through Friday, except specified holidays.
