Manufacturer's warranties apply on all parts. First-In warranty is provided by Westnet and consists of one-year parts and labor. Warranty does not apply to damage resulting from outside agencies or extraneous circumstances. Installation labor for any other items is ninety days. This quote is based on the reasonable assumption that the fire station is prepared to accept the above listed parts and that any existing equipment involved with the fire station alarm be in good working order or that it will be prior to commencement of the First-In installation. Westnet has made reasonable attempts to verify that conditions are satisfactory such that installation may occur. However, should an occurrence arise where further parts, labor and/or engineering are required, the customer may be billed at the Purchase Order rate. Any additional parts, labor and/or engineering exceeding \$250 will have prior approval, unless otherwise specified by the customer prior to commencement.

***If payment is not received by 30 (thirty) days from the date of invoice, a late charge of 1.5% per month of the unpaid balance will be charged to that particular invoice.***
