MILLION

**EST PROJECT COMPLETION:
FEBRUARY 2020**

This project remains on schedule and on budget.

To date, construction milestones have been met. The estimated completion of Phase 1 remains spring 2019.

Community outreach for the upgraded Lions Park playground area will begin in the 1st quarter of 2019.

The approval of the purchase of the furniture, fixtures and equipment for Phase 1 was scheduled for the September 4, 2018 City Council agenda.

The approval of the purchase of the audio-visual and IT equipment is scheduled for the November City Council agenda.

LIONSPARKPROJECTS.COM

Shalimar Park – 782 Shalimar Drive

- Play equipment in great condition

Back area still needs attention; not yet functioning as the highest, best use of the space...

IDEAS FOR NEXT STEPS

- Promote widely when there is an opportunity for **community engagement in 2019** for design upgrades.
- **UCI Urban Planning PhD students** interested in helping draft design options for community consideration.

Resident Feedback/ Ideas for the Back Space:

-Had a great chat with this awesome group of teens who would like to see some **mini-skate park type amenities**. (**they're minors so their faces are blocked out – they gave photo permission but parents weren't there*)

-Mothers who were sitting on benches there waiting for their kids at Think Together's Shalimar Learning Center (across the street) mentioned that **adult outdoor exercise equipment** may be a nice addition.

**FAIRVIEW PARK - 2525
PLACENTIA**

FENCING BROKEN

Updates

Vernal pool restoration efforts ramping up in the 1st quarter of 2019 for vernal pool complex 5/6/7.

2019 Fairview Park Educational series:

- ***“All About the Vernal Pools of Fairview Park” (1/12)***
- ***“World Wetland Day Tour & Audubon Bird Walk” (2/2)***
- ***“Celebrate World Wildlife Day at Fairview Park” (3/3)***

Detailed information can be found in the winter recreation guide.
