Amy Fisher

Mural Artist- Medical Safe Acrylics

Amy Fisher has been painting murals for 20+ years. After graduating Cal State Long Beach with a BA Degree in Fine Art, she worked for 2 mural companies painting Movie Sets. Amy is grateful to these companies for helping her further her art in the areas of depth and perspective. She then started her own company and began painting children's' rooms, homes - indoors and out, restaurants, pediatric medical/dental offices, hospitals, and elderly care facilities. Amy's intention is to create engagement, beauty, calm and happiness in all her mural projects. Amy looks forward to helping you create your next beautiful space.
