### Denise Riches

Acrylic & Mixed Media

**Denise Riches** uses vibrant color, textural elements, bits of text and collage to give her artwork a distinctive style. She utilizes textures and layering to intensify and enrich her distinct color palette and to give her paintings depth. Each application changes the landscape providing new opportunities and new challenges. Denise wants her paintings to captivate the viewer and intrigue them to look closer at what's under the surface. Her passion for hearts is often the subject matter for her paintings and photography.
