Robert "Sticky Shaw"

Mixed Media, Acrylic Spray Paint, Paint Pens

Robert "Sticky Shaw" grew up in Newport Beach and Costa Mesa. Now he resides in another beach city, Santa Monica. He is 35 years old and grew a love for art in high school. Art was an escape from math and reading, as growing up with learning disabilities was quite difficult for Robert. There were no right or wrong answers in the art world. Robert has been so lucky to have his art on products for many local OC action sports companies such as Volcom, Vonzipper, Arnette, and Vestal watches. He has also collaborated with companies in the Pacific Northwest such as Lib Tech Snowboards and Grenade Gloves. Punk rock and cities give him inspiration to keep creating art. For example, in his recent pieces Berlin, Germany can be seen in the details. Make art not War.
