Kevin Moran

Oil and Acrylic Painting

Kevin Moran was born in a navy hospital in Washington. He has lived in the Philippines, Humboldt County, Maryland, and currently lives in Costa Mesa. Kevin received a Bachelor of Arts degree in English from Humboldt State University as well as a Master of Arts degree in English from California State University of Long Beach. His study of poetry, especially, informs his visual art. Kevin has also participated in a number of art classes and workshops with professional artists in Southern California.

"I admire the boldness of Expressionism and attempt, in my art, to reveal the transcendent behind the mundane. Much of my work is pen and ink, a medium that allows for simplicity and stark contrast. Painting in oils and acrylics I work very quickly, hoping to express some emotional immediacy on the canvas."
