Casa

Cocktail Bar

Established in 2013, **Casa** is an intimate neighborhood cocktail bar located in the heart of Costa Mesa, California. Come as you are, no cover, no problem.

Casa remains one of the best kept secrets of Southern California. This location has been a neighborhood bar since the start of Rock n' Roll in the 1950's. Since that time, many drinks have been served & memories made. Thank you for your continued support from all of us here at Casa. We hope to see you soon in the City of The Arts.
