### Inspired Art Wine

Acrylic, Watercolor, Mixed Media

**Inspired Art Wine** has a mission to provide you a fun and entertaining mini escape from the demands of life. Their studio is designed to be a relaxed space where you can uncork and unwind (yes, pun intended!), take a deep breath and discover your own creativity. If you feel the urge to sing or dance to the tunes we play while you paint, go for it. Any creativity is welcome There. The atmosphere is laid back... it's all about having a great time! Who knows, after sipping your favorite vintage and enjoying good music, you might call yourself the next Picasso by the night's end! Come with your friends, family, significant other, colleague or by yourself. For less than the price of a mani/pedi, you leave with a personal keepsake masterpiece while fostering deeper connections with other guests. They are excited to join you on your journey toward Picassohood or just a great time. They offer a wide range of classes across various mediums: acrylic, watercolor, textured painting, watercolor and pastels. No other art studio wine bar in Orange County offers fun and fine art classes all in one place all while enjoying our personally curated wine, beer, crafted cocktail, mocktails, tea and coffee! Check out their website ([www.inspiredartwine.com](http://www.inspiredartwine.com)) and pull up a chair at an upcoming class. They look forward to meeting you!
