Mesa Water® Plan Check Requirements

If your project includes water service improvements, fire sprinkler installation, additional bathrooms, kitchen upgrades or other water fixture installations you are required to submit plans through the Mesa Water® Plan Check Desk. Typical plan submittals require the following:

1. Proposed Water Improvements Plan
2. Floor Plan – Showing water fixtures
3. Irrigation Plan – Showing number of fixtures, calculated flows, and compliance with water conservation initiatives
4. Fire Sprinkler Plan – Showing flow through or closed system
5. Utility Drawing – Showing the location of existing and proposed services and utilities

For a full list of detailed requirements and submittal procedure please refer to Mesa Water® Standards, Specifications, and Rules & Regulations available at www.MesaWater.org

Please contact Mesa Water® Engineering Department with any questions.
