**Subject: SLF search request for the Proposed Costa Mesa EF International Language Campus Project,
City of Costa Mesa, California (D160255.02)**

To whom it may concern:

Environmental Science Associates (ESA) is preparing documentation for an Initial Study/Mitigated Negative Declaration for the Costa Mesa EF International Language Campus Project (Project) in the City of Costa Mesa. The Project would include the development of an EF International Language Campus, which would consist of the renovation of the existing three-story (approximately 44-feet tall), 68,000 square foot building to create approximately 50 classrooms, a student services area, cafeteria, and faculty/staff offices; the development of up to three residential buildings; surface parking areas; and recreational facilities and landscaping.

The Project Site is located in an unsectioned portion of Township 6 South, Range 10 West on the Newport Beach, CA U.S. Geological Survey (USGS) 7.5-minute topographic quadrangle (**Figure 1**).

In an effort to provide an adequate appraisal of all potential impacts that may result from the proposed Project, ESA is requesting that a Sacred Lands File search be conducted for sacred lands or tribal cultural resources that may exist within the Project Site.

Thank you for your time and assistance regarding this matter. To expedite the delivery of search results, please e-mail them to fclark@esassoc.com. Please contact me at 949.753.7001 or via e-mail me if you have any questions.

Sincerely,

RE: Costa Mesa EF International Language Campus Project, Orange County

Dear Ms. Clark:

A record search of the Native American Heritage Commission (NAHC) Sacred Lands File (SLF) was completed for the information you have submitted for the above referenced project. The results were positive. Please contact the tribes on the attached list for more information. Other sources of cultural resources should also be contacted for information regarding known and recorded sites.

Attached is a list of Native American tribes who may also have knowledge of cultural resources in the project area. This list should provide a starting place in locating areas of potential adverse impact within the proposed project area. I suggest you contact all of those indicated; if they cannot supply information, they might recommend others with specific knowledge. By contacting all those listed, your organization will be better able to respond to claims of failure to consult with the appropriate tribe. If a response has not been received within two weeks of notification, the Commission requests that you follow-up with a telephone call or email to ensure that the project information has been received.

If you receive notification of change of addresses and phone numbers from tribes, please notify the NAHC. With your assistance, we can assure that our lists contain current information. If you have any questions or need additional information, please contact me at my email address: steven.quinn@nahc.ca.gov.

Sincerely,

A handwritten signature in blue ink that reads "Steven Quinn".
