IFB NO. 20-01
FOR
BMW Police Motorcycles
Model No. R1250RT-P

The City of Costa Mesa (hereinafter referred to as the “City”) is soliciting sealed bids from authorized BMW motorcycle dealerships for the purchase of two (2) BMW Police Motorcycles Model No. R1250RT-P and the installation of ancillary accessories and equipment, as specified herein.

I. GENERAL INFORMATION

The City of Costa Mesa is a general law city, which operates under the council/manager form of government. The City of Costa Mesa, incorporated in 1953, has an estimated population of 115,000 and has a land area of 16.8 square miles. It is located in the northern coastal area of Orange County, California, and bordered by the cities of Santa Ana, Newport Beach, Huntington Beach, Fountain Valley and Irvine.

The City is a “full service city” providing a wide range of services. These services include: police and fire protection; animal control; emergency medical aid; building safety regulation and inspection; street lighting; land use planning and zoning; housing and community development; homeless shelter, maintenance and improvement of streets and related structures; traffic safety maintenance and improvement; and full range of recreational and cultural programs.

The City of Costa Mesa is home of the Segerstrom Center for the Arts, Orange County Fairgrounds, South Coast Repertory Theater and the South Coast Plaza Shopping Center, which is the single largest commercial activity center in the City. The volume of sales generated by South Coast Plaza secures its place as the highest volume regional shopping center in the nation.

The City’s fiscal year begins on July 1 and ends on June 30. For Fiscal Year 2019-20, the City of Costa Mesa has a total operating and capital budget of approximately \$172 million for all funds. The General Fund makes up approximately \$142 million of the total. While the City operations generate revenue from various public services such as licensing, permitting and building activity, the four primary sources of revenue for the General Fund are from sales tax, transient occupancy tax, property tax, and franchise fees. See the City’s website at www.costamesaca.gov for the most recent City Operating and Capital Improvement Program Budget and Comprehensive Annual Financial Report.

- 1. Important Notice:** The City has attempted to provide all information available. Any interpretation of, or correction to, this solicitation will be made only by addendum issued by the City’s Purchasing Department. It is the responsibility of each Bidder to periodically check the City’s website to ensure that it has received and reviewed any and all addenda to this solicitation. The City will not be

 - **Insurance** - City requires that licensees, lessees, and vendors have an approved Certificate of Insurance (not a declaration or policy) or proof of legal self-insurance on file with the City for the issuance of a permit or contract. Within ten (10) consecutive calendar days of award of contract, successful Bidder must furnish the City with the Certificates of Insurance proving coverage as specified in the sample contract.

Unless Bidder specifies otherwise, it is understood that the Bidder is offering the brand item as specified in the solicitation. If Bidder bids an "equal," Bidder must state the brand name and must submit complete specifications and/or provide samples with the bid. Determination of equality shall be at the sole discretion of the City, and the City reserves the right to request a sample for determining equality with the specified brand. If it has been justified and accepted by the requesting agency/department and/or a City standards committee that only one brand can meet the City's requirements, "**no exceptions**" shall be noted in the specifications.
- 7. Accuracy of Bids:** Bidders shall take all responsibility for any errors or omissions in their bids. Any discrepancies in numbers or calculations shall be interpreted to reflect the lowest price to the City.

It shall be solely within the City's discretion as to whether withdrawal will be permitted. If the solicitation contemplated evaluation and award of "all or none" of the items, then any withdrawal must be for the entire bid. If the solicitation provided for evaluation and award on a line item or combination of items basis, the City may consider permitting withdrawal of specific line item(s) or combination of items.
- 8. Responsibility of Bidders:** The City shall not be liable for any expenses incurred by potential Contractors in the preparation or submission of their bids. Purchasing Department at least 10 calendar days prior to the deadline for receipt of bids. The protest must clearly specify in writing the grounds and evidence on which the protest is based.

The City, at its sole discretion, reserves the right to accept or reject any or all bids received as a result of this IFB or to cancel this IFB in part or in its entirety. The City may waive any irregularity in any bid. All bids will become the property of the City of Costa Mesa. If any proprietary information is contained in the bid, it should be clearly identified by Bidder.

14. Acceptance/Rejection/Award

- Bids submitted in response to this IFB may become subject to public disclosure under the California Public Records Act, and other applicable law. The City shall not be liable in any way for disclosure of any such records. Additionally, all bids shall become the property of the City.
- The lowest, responsive and responsible, Bidder will be recommended for contract award.
- Bids will be reviewed by the City for responsiveness to all requirements. The City has the right to reject any bid deemed unresponsive or lacking the resources or experience to adequately perform the services described herein.
- Only those responsible and responsive bids that meet all solicitation requirements and specifications, shall be further reviewed for consideration for award. Award shall be based on the lowest, responsive, responsible bid.
- Please take notice that non-acceptance of City terms and conditions may deem a bid non-responsive. The City will not accept any other terms, conditions, or provisions contrary to those contained within this solicitation.
- By submitting a response to this solicitation, Bidders agree to accept the decision of the City as final.

15. Confidentiality: The California Public Records Act (Cal. Govt. Code Sections 6250 et seq.) mandates public access to government records. Therefore, unless information is exempt from disclosure by law, the content of any request for explanation, exception, or substitution, response to this IFB, protest, or any other written communication between the City and Bidder, shall be available to the public. The City intends to release all public portions of bid submissions following the evaluation process at such time as a recommendation is made to the City Council.

If Bidder believes any communication contains trade secrets or other proprietary information that the Bidder believes would cause substantial injury to the Bidder's competitive position if disclosed, the Bidder shall request that the City withhold from disclosure the proprietary information by marking each page containing such proprietary information as confidential. Bidder may not designate its entire bid as confidential nor designate its Price Bid as confidential.

Submission of a bid shall indicate that, if Bidder requests that the City withhold from disclosure information identified as confidential, and the City complies with the Bidder's request, Bidder shall assume all responsibility for any challenges resulting from the non-disclosure, indemnify and hold harmless the City from and against all damages (including but not limited to attorneys' fees and costs that may be awarded to the party requesting the Bidder information), and pay any and all costs and expenses related to the withholding of Bidder information. Bidder shall not make a claim, sue, or maintain any legal action against the City or its directors, officers, employees, or agents concerning the disclosure, or withholding from disclosure, of any Bidder information. If Bidder does not request that the City withhold from disclosure information identified as confidential, the City shall have no obligation to withhold the information from disclosure and may release the information sought without any liability to the City.

- 16. Ex Parte Communications:** Bidders' representatives should not communicate with the City Council members about this IFB. In addition, Bidders, and Bidders' representatives, should not communicate outside the procedures set forth in this IFB with an officer, employee or agent of the City, including any member of the evaluation panel, with the exception of the IFB facilitator, regarding this IFB until after contract award. This solicitation requires due process and therefore set forth herein must be explicitly complied with. Bidders and their representatives are not prohibited, however, from making oral statements or presentations in public to one or more representatives of the City during a public meeting.

A "Bidder" or "Bidder's representative" includes all of the Bidder's employees, officers, directors, consultants and agents, any subcontractors or suppliers listed in the Bidder's bid, and any individual or entity who has been requested by the Bidder to contact the City on the Bidder's behalf. Bidders shall include the Ex Parte Communications form (Appendix C) with their bids certifying that they have not had or directed prohibited communications as described in this section.

- 17. Conflict of Interest:** The Bidder warrants and represents that it presently has no interest and agrees that it will not acquire any interest that would present a conflict of interest under California Government Code, Sections 1090, et seq., or sections 87100 et seq., during the performance of services under any contract awarded. The Bidder further covenants that it will not knowingly employ any person having such an interest in the performance of any Agreement awarded. Violation of this provision may result in any awarded contract being deemed void and unenforceable.
- 18. Disclosure of Governmental Position:** In order to analyze possible conflicts that might prevent a Bidder from acting on behalf of the City, the City requires that all Bidders disclose in their bids any positions that they hold as directors, officers, or employees of any governmental entity. Additional disclosure may be required prior to contract award or during the term of the contract. Each Bidder shall disclose whether any owner or employee of the firm currently hold positions as elected or appointed officials, directors, officers, or employees of a governmental entity or held such positions in the past 12 months using the attached "Disclosure of Government Positions Form." (See Appendix F.)
- 19. Conditions of Contract:** The selected Bidder will execute a contract with the City describing the Scope of Services to be performed, the schedule for completion of the services, compensation, and other pertinent provisions. The contract shall follow the sample form of sample contract provided as Appendix A to this solicitation, which may be modified by City. All Bidders are directed to particularly review the indemnification and insurance requirements set forth in the sample contract

The terms of the contract, including insurance requirements have been mandated by the City and can be modified only if extraordinary circumstances exist. Submittal of a bid shall be deemed acceptance of all the terms set forth in this IFB and the sample contract unless the Bidder includes with its bid, in writing, any conditions or exceptions requested by the Bidder to the proposed contract. In accordance with the

Municipal Code, the City may consider the scope and number of conditions in evaluation bids and determining the lowest, responsive and responsible bidder.

- 20. Disqualification Questionnaire:** Bidders shall complete and submit, under penalty of perjury, a standard form of questionnaire inquiring whether a Bidder, any officer of a Bidder, or any employee of a Bidder who has a proprietary interest in the Bidder, has **ever** been disqualified, removed, or otherwise prevented from proposing on, or completing a federal, state, or local government project because of a violation of law or safety regulation and if so, to explain the circumstances. A bid may be rejected on the basis of a Bidder, any officer or employee of such Bidder, having been disqualified, removed, or otherwise prevented from proposing on, or completing a federal, state, or local project because of a violation of law or a safety regulation. See (Appendix C).
- 21. Standard Terms and Conditions:** The City reserves the right to amend or supplement this IFB prior to the bid due date. All addendum(s) and additional information will be posted to the Costa Mesa Procurement Registry, [Costa Mesa - Official City Web Site - Business - Bids & IFB's](#). Bidders should check this web page daily for new information.
