**RE: ZONING APPROVAL  
BC20-00085  
2048 Flamingo Drive, COSTA MESA**

The Planning Division has completed its review of the above-referenced project. Based on the following project description, the project has been approved.

***PROJECT DESCRIPTION:***

The property owner proposes to add 250 square feet to an existing great room on the 2<sup>nd</sup> floor that leads to a new 72 square foot balcony, which will be above a portion of an existing 3-car garage. The balcony will face south towards Flamingo Drive.

The exterior design and finishes of the 2-story room addition and balcony will blend in with the appearance of the existing residence, as well as with the existing residences in the vicinity, and add to the street appeal within the neighborhood.

The zoning approval will become final at 5:00 p.m. on **March 5, 2020** unless appealed by an affected party (including filing of the necessary application and payment of the appropriate fee), or is called up for review by a member of the Planning Commission or City Council.
