ARTICLE 1 - RECOGNITION/PREAMBLE

1.1 By resolution of the City Council of the City of Costa Mesa and pursuant to the provisions of the Meyers-Milias-Brown Act, Section 3500 et. Seq. of the California Government Code, the City of Costa Mesa (hereinafter called the "City") has recognized the Costa Mesa City Employees Association (hereinafter referred to as "ASSOCIATION" or "CMCEA") as the exclusive representative and agent for collective bargaining for the employees in job classifications set forth herein.. The Association and the City are the Parties to this agreement and are jointly recognized herein below as "The Parties."

1.2 This Memorandum of Understanding (MOU) has been prepared by representatives of the City and representatives of CMCEA who have met and conferred in good faith, examining a number of proposals and counter proposals concerning wages, hours of employment, fringe benefits and other terms and conditions of employment for the employees of the City as defined in Section 1.1 herein.

1.3 It is the mutual understanding of the City and Association that this MOU shall be submitted to the Costa Mesa City Council with the joint recommendation of the parties that the terms of this MOU be adopted and that said City Council will take such other action as may be needed to implement its provisions.

1.4 The wages, hours and other terms and conditions of employment specifically referenced in this MOU shall remain in effect unless and until modified, amended or deleted by means of future meet and confer processes, including impasse resolution procedures. If a tribunal of competent jurisdiction holds that any part of this MOU is found to be insufficient, in conflict or inconsistent with other laws, regulations or the obligations of the Parties as defined herein, or is otherwise held to be invalid, unlawful or unenforceable, such part or provision, and only such part or provision shall be severed from this MOU or shall be suspended or superseded by such applicable laws and regulations, to the extent that the implementation thereof falls within the scope of representation, shall be controlled by the provisions of Government Code Section 3500 et. seq.

1.5 For the term of this MOU, neither party shall be compelled to meet and confer with the other concerning any issue expressly provided for in this MOU. Each Party to this MOU hereby expressly waives its right to demand that the other Party meet and confer concerning any issue expressly covered herein. However, nothing in this MOU shall prohibit these Parties from meeting and conferring over any issue provided for in this MOU.

1.6 Continuous uninterrupted and efficient service to the City of Costa Mesa by the City and its employees, and orderly employer-employee relations are essential considerations of this MOU. Accordingly, CMCEA agrees on behalf of itself and its members, individually and collectively, that there shall not be any strikes, non-informational picketing, boycotting, work stoppages, slow-down strikes or any other concerted job actions or by refusal to render services, including overtime or any other curtailment or restriction of work and services at any time.

1.7 CMCEA recognizes its duty and obligation to comply with the provisions of Section 1.6 of this MOU and to make every reasonable effort to assure that all employees covered by this MOU similarly do so. In the event of any concerted activity by employees in violation of the provisions or intent of Section 1.6, CMCEA hereby agrees to direct its members to cease said action or conduct forthwith. No employee covered by this MOU shall be entitled to any benefits or wages whatsoever while engaged in activities prohibited by Section 1.6.

1.8 The Parties hereby agree that all of the material terms and conditions of previous MOUs have been complied with, and are hereby discharged and superseded by the adoption of this MOU.

1.9 All rights to manage, organize, direct and control the City's business, including all of the terms and conditions of the employment of any employee of the City, which are not expressly limited, modified, amended or eliminated by this or any other MOU, are retained exclusively by the City and its management personnel. City Management also retains exclusive jurisdiction over any residual portions of any managerial rights which have in part been limited, modified or amended by this MOU.

ARTICLE 2 - TERM OF AGREEMENT

The term of this MOU will commence on July 1, 2016, and will expire in the pay period which includes June 30, 2020.

ARTICLE 3 - SALARIES AND WAGES

3.1 **COMPENSATION** - Employees covered by this MOU shall be compensated at the monthly base salary rates established for their classification under the Basic Pay Schedule per City Council resolution. An employee occupying a position in the classified service shall be compensated within the range established for his or her position as provided in Rule 6 of the Personnel Rules and Regulations. The minimum rate for the class generally shall apply to an employee upon his or her original appointment. Employees who are re-employed shall receive a rate within the range established for the class and agreed upon by the appointing authority and the employee prior to appointment. Any employees hired by the City on or after City Council adoption of the 2013-16 MOU shall be subject to a modified basic pay schedule which shall reflect an entry level pay step 10% less than Step 1 of the basic pay schedule as the latter may from time to time exist (to be designated Step A) and a second entry level pay step which shall be 5% less than Step 1 of the basic pay schedule as the latter may from time to time exist (to be designated Step B). Additionally, Step 5 of the basic pay schedule, as it may from time to time exist, shall become the maximum step that said employee shall be eligible to attain.

Steps 1-7 of the basic pay schedule as it existed immediately prior to City Council ratification of this MOU shall be adjusted as follows:

- Year 1 – Beginning with the first full pay period starting after ratification by the City Council: 2.5% increase for all classifications subject to this MOU.
- Year 2 – Beginning with the first full pay period starting in July, 2017: 2.5% increase for all classifications subject to this MOU.
- Year 3 – Beginning with the first full pay period starting in July, 2018: 2.75% increase for all classifications subject to this MOU.
- Year 4 – Beginning with the first full pay period starting in July, 2019: 2.75% increase for all classifications subject to this MOU.

3.2 **MERIT SALARY ADVANCEMENT** - No salary advancement within a classification shall be made so as to exceed the maximum rate established in the pay plan. Advancement shall not be automatic but shall depend upon increased service value to the City as recommended by his or her supervisor based upon performance record, special training undertaken, length of service and other pertinent factors.

3.3 **LABOR MARKETPLACE** - The “labor marketplace” however defined, shall not mandate any specific compensation adjustment yet may be one of many factors assessed by the parties in determining levels of compensation. In assessing the labor marketplace, both public and private sector classifications may be given consideration as a factor in assessing the “labor marketplace” indication of total compensation levels. The “total compensation” of employees within the unit and in the “labor marketplace” may be a factor in assessing compensation levels. “Total compensation” shall include but not be limited to the value of City funded base salary, retirement, deferred compensation, retiree medical, health insurance, unemployment insurance and all other forms of City-funded remuneration whether or not reflected in an employee’s W2.

ARTICLE 4 - OVERTIME PAY

4.1 **OVERTIME PAY** - If an employee is required to work longer than the normal work week or shift, said employee shall be compensated for said approved overtime either (1) by being allowed one and one-half (1-1/2) times the amount of actual overtime hours worked, to be taken as compensatory time off ("comp time") without deduction from the employee's regular salary or compensation, or (2) by payment for such overtime actually worked at a rate of one and one-half (1/1/2) times the employee's regular salary rate. The determination of which method of crediting overtime is used is at the discretion of the department director with the approval of the City Manager. Compensation for said overtime shall normally be included with compensation for the pay period in which such overtime occurs. An employee may, with the department director's approval, accumulate compensatory time to be taken during subsequent pay periods, with departmental approval, to a maximum accumulation of sixty (60) hours for all other eligible employees. However, all accrued compensatory time off shall be distributed to the employee in cash in December, but not later than December 31 of each year. The distribution shall be at the employee's hourly rate at the time of distribution.

Paid leave shall not be considered hours worked for purposes of computing overtime eligibility.

4.2 **COMP TIME CASH-OUT** - Employees will be allowed to cash-out up to 40 hours of compensatory time (time off accrued in lieu of paid overtime) in any payroll period. The maximum accrual of comp time for employees who work with regard to the below-listed holidays shall be 60 hours.

4.3 **COURT ON-CALL PAY** - If an employee receives a job-related subpoena to be on-call for court while in a non-paid status (time off), he or she shall receive two hours at the base salary rate for each court session.

4.4 **MOVE UP OVERTIME** - The base rate applicable to a move-up pay will be included in the calculation of the overtime premium pay.

4.5 **CALL BACK DUTY** - Employees who are recalled to active duty from off-duty not as an extension of the scheduled or normal work shift will be considered to be "on call" and shall receive overtime compensation at one and one-half times (1½) the employee's base rate of pay for time actually worked after reporting to the place of duty or just two (2) hours of overtime pay, whichever is greater. Employees who are able to handle the incident by phone or other electronic means without reporting to duty shall be compensated according to the same callback provisions.

4.6 **CALL RESPONSE DURING LUNCH PERIODS** - Hours worked for computation of overtime eligibility shall include responses to a service call during the lunch period.

4.7. **COMPENSATORY TIME OFF (CTO) FOR NON-SWORN EMPLOYEES IN THE TELECOMMUNICATIONS DIVISION AND POLICE DEPARTMENT WHO WORK WITHOUT REGARD TO HOLIDAYS** - A written request for C.T.O. shall be made and approved no later than 24 hours prior to the requested time off. The shift supervisor of the individual requesting C.T.O. shall approve or deny the request.

All employees (on a first come, first served basis) who submit a request for time off may utilize accrued compensatory time off ("CTO"), provided their vacancy does not result in less than minimum staffing levels on the shift they are scheduled to work. This policy is subject to suspension in emergency situations at the discretion of the Department Director or his/her designee.

Employees assigned to rotating shifts may not submit a CTO request more than 30 calendar days in advance of the shift rotation in which the CTO day off would fall.

Employees will submit their request to the shift supervisor who shall immediately determine if the CTO request may be granted if it does not take the shift below minimum staffing.

If the CTO vacancy would result in less than minimum staffing levels, the employee will be required to identify an alternate date to take CTO or make approved arrangements for a shift trade. A shift trade will not result in paid or CTO compensation for regular hours worked.

The practice of shift trading shall be voluntary on behalf of each employee involved in the trade. The trade must be due to the employee's desire or need to attend to a personal matter and not due to the department's operations. The employee providing the trade shall not have his/her compensable hours increased as a result of the trade; nor shall the employee receiving the trade have his/her compensable hours decreased as a result of the trade. Any premium pay or other extra compensation will be waived for both individuals during the period they work for the other. Any hours worked beyond the normal workday will be credited to the individual actually doing the work.

"Paybacks" of shift trades are the obligation of the two employees involved in the trade. Paybacks are to be completed within the shift deployment of the initial shift trade. Any dispute as to paybacks is to be resolved by the involved employees, and under no circumstances will the department be obligated for any further compensation whatsoever to any of the involved employees. The department is not responsible in any manner for hours owed to employees by other employees that leave the employment of the City or are assigned other duties. Shift trades are not subject to the grievance procedure.

If one individual fails to appear for the other (regardless of the reason), the person who was originally scheduled will be listed as absent without leave and may be subject to disciplinary action.

A record of all initial shift trades and "paybacks" shall be maintained by the involved employees on forms provided by the department ("Shift Trade Log").

According to California Code of Regulations Sections 571(a) and (b) the following premium and special pays will be reported to CalPERS as special compensation:

The City will pay for the training or the skill for bilingual pay, but not both. Employees must be certified annually by their department director and may be tested by the Human Resources Division annually to verify their foreign language proficiency in order to maintain eligibility for said bilingual pay. The City will pay for one test per year per employee. An employee may take the test more than once during the year at his or her own expense. A second level of proficiency, designed for employees who are capable of "speaking only" shall receive 2.5% over assigned rate. Testing procedures will be determined and administered by the City. This level of proficiency is not intended to replace "higher" level of proficiency indicated above, nor to "demote" employees currently receiving that level of benefit; providing they maintain appropriate proficiency. 5.4 **STANDBY PAY** - Employees who are released from active duty but who are required by their department to leave notice where they can be reached and be available to return to active duty when required by the department at any time other than their regularly scheduled working hours, shall be said to be on standby duty. An employee assigned to standby duty shall be paid at the rate of thirteen (13) straight time hours at his or her regular rate of compensation for each week so assigned, plus compensation for each hour actually worked pursuant to the callback provisions. If a holiday falls within the assigned standby week, an additional four (4) hours at the employee’s regular rate will be given to the person assigned to standby. Employees on standby duty must remain within a reasonable commuting distance in which the employee must be able to respond to the worksite within one hour of being called. During standby duty, the employee must refrain from activities that might impair his or her ability to respond or perform assigned duties in a satisfactory manner.

5.5 **SAFETY SHOE ALLOWANCE** - For those employees covered under the City’s Safety Shoe Program and who meet the criteria for the replacement, repair or purchase of safety shoes, the City agrees to fully pay for the shoe that meets the minimal standard established by the program. The City’s Purchasing Division will annually confirm the amount. All safety shoes/boots purchased under this program must have steel enforced toes and insteps and bear the official stamp of approval from the American National Standards Institute (ANSI).

5.6 **SHIFT ASSIGNMENT PAY** - The City will pay employees in CMCEA-represented classifications who are continuously and regularly assigned to a schedule which requires that he or she actually work a minimum of five (5) hours between the hours of 3:00 p.m. and 7:00 a.m. a shift differential as defined below:

- A. A Night Shift Differential of 5% over the assigned rate per shift for all CMCEA represented classifications assigned to work a night (swing) shift schedule which begins at 3:00 p.m. or later.

5.7 **SHORTHAND ASSIGNMENT PAY** - Shorthand is a desirable requirement for all secretarial classifications. The City will pay a 2.5% monthly assignment differential for each full month that an incumbent in a secretarial classification is assigned by the Department Director to utilize the ability to take dictation at a minimum rate of 70 words per minute. In order to receive and maintain the monthly assignment differential, the incumbent must have successfully passed the City's shorthand test and the Department Director must annually certify that the incumbent routinely utilizes the skill in the workplace.

The cost of the DMV physical/medical exam will be scheduled and paid by the City, provided such exam is performed by the City's designated provider/physician.

ARTICLE 6 - RETIREMENT

6.1 **CalPERS** - Unit members who do not meet the definition of "new member" under the California Public Employees' Pension Reform Act of 2013 (PEPRA) (those unit members shall be referred to as "classic members") are enrolled in either the CalPERS retirement plan provided for by Government Code § 21354.4, and commonly referred to as the 2.5% at age 55 retirement plan ("tier 1"), or in accord with the Side Letter of Agreement extending the 2004-2009 MOU to March 31, 2013, the 2% at 60 formula provided for by Government Code § 21353 ("tier 2").

6.2 Effective the first payroll period commencing on or after adoption by the City Council of the 2013-2106 MOU, all unit members defined as "classic" members shall individually fund 100% of their statutorily required member contribution to CalPERS, as that amount may from time to time exist. Effective concurrent with adoption of this MOU, the statutorily required member contribution for tier 1 unit members is 8% of compensation earnable and for tier 2 members, 7% of compensation earnable.

6.3 The parties agree pursuant to Government Code § 20516(a) and (f), that each unit member (both classic and new members) shall share the cost of the employer CalPERS contributions in the following amounts, which shall be made through payroll deductions:

A. Classic Members:

Year 1 - Beginning with the first full pay period after ratification of this MOU by the City Council: Cost sharing for tier 1 shall be 2.469% of compensation earnable pursuant to Government Code section 20516(a) and 3.531% of compensation earnable pursuant to Government Code section 20516(f). Cost sharing for tier 2 shall be 7% of compensation earnable pursuant to Government Code section 20516(f). The total contribution by each tier 1 and tier 2 unit member will be 14% of compensation earnable, inclusive of statutory employee contributions and all cost sharing.

Year 2 - Beginning with the first full pay period starting in July, 2017: Cost sharing for tier 1 shall be 2.469% of compensation earnable pursuant to Government Code section 20516(a) and 2.531% of compensation earnable pursuant to Government Code section 20516(f). Cost sharing for tier 2 shall be 6% of compensation earnable pursuant to Government Code section 20516(f). The total contribution by each tier 1 and tier 2 unit member will be 13% of compensation earnable, inclusive of statutory employee contributions and all cost sharing.

Year 3 and after - Beginning with the first full pay period starting in July, 2018: Cost sharing for tier 1 shall be 2.469% of compensation earnable pursuant to Government Code section 20516(a) and 1.531% of compensation earnable pursuant to Government Code section 20516(f). Cost sharing for tier 2 shall be 5% of compensation earnable pursuant to Government Code section 20516(f). The total contribution by each tier 1 and tier 2 unit member will be 12% of compensation earnable, inclusive of statutory employee contributions and all cost sharing.

B. New Members: Under PEPRA (see section 6.5 below):

Year 1 - Beginning with the first full pay period after ratification of this MOU by the City Council: Cost sharing shall be 7.25% of pensionable compensation pursuant to Government Code section 20516(f), for a total contribution for each unit new members of 14% of pensionable compensation, inclusive of statutory employee contributions and cost sharing.

Year 2 - Beginning with the first full pay period starting in July, 2017: Cost sharing shall be 6.25% of pensionable compensation pursuant to Government Code section 20516(f), for a total contribution by each unit new members of 13% of pensionable compensation, inclusive of statutory employee contributions and cost sharing.

Year 3 and after - Beginning with the first full pay period starting in July, 2018: Cost sharing shall be 5.25% of pensionable compensation pursuant to Government Code section 20516(f), for a total contribution by each unit new members of 12% of pensionable compensation, inclusive of statutory employee contributions and cost sharing.

The cost sharing amounts may change from time to time for new members in the event CalPERS revises the normal cost for the City's benefits. In no event during the term of this MOU will the total contributions by unit new members exceed the total contributions listed above. At the time that this MOU was ratified, new members had an employee contribution of 6.75%, which is 50% of the normal cost of 13.5%.

- C. As of the adoption date of this MOU the cost sharing paid by all unit members will not presently be in an amount uniform as to all local miscellaneous members. Therefore, except for the first 2.469% of compensation earnable paid by tier 1 unit members pursuant to the City's contract amendment with CalPERS under Government Code section 20516(a), this cost sharing agreement shall be made pursuant to Government Code § 20516(f) which provides that nothing in section 20516 shall preclude a contracting agency and its employees from independently agreeing in a memorandum of understanding to share the costs of any benefit, in a manner inconsistent with this section. Thus, this cost sharing MOU provision shall not be part of the contract between the CalPERS system and the City and shall therefore be effective concurrent with the first payroll period commencing on or after adoption by the City Council of this MOU and shall be made by payroll deductions.

It is the intention of the City and CMCEA that employee-paid employer contributions hereunder ("cost sharing contributions") be designated and treated as pre-tax "pick up" contributions under the provisions of Section 414(h)(2) of the Internal Revenue Code. However, the City does not warrant the treatment of these employee cost sharing contributions as being pre- or post tax. Further, the City shall not be required to commence any action to determine or preserve any pre or post income tax characterization of such contributions. If the IRS or other entity of competent jurisdiction rejects treatment of the "pick up" as being pre-tax, the City shall concurrently comply with such determination. Any effected employee shall be individually responsible for funding any resultant retroactive tax and/or penalty liability. The Association releases the City from bearing any liability to the Association as regards this Section 6.3 C. except for any intentional acts of malfeasance.

Subject to the foregoing, the parties agree to use reasonable efforts to establish and/or confirm the pre-tax characterization of such contributions. However, the taking of such "reasonable efforts," shall not relieve the City of complying with the directive issued by the IRS or other agency of competent jurisdiction.

6.4 There shall be no sunset date to any provision in this Article 6.

6.5 THE CALIFORNIA PUBLIC EMPLOYEES' PENSION REFORM ACT OF 2013 (PEPRA)

- As it may from time to time exist, the PEPRA shall in its entirety be given full force and effect. Any provision in this MOU which contradicts any provision of the PEPRA, shall be deemed null and void, with the contrary PEPRA provision(s) being given full force and effect. Therefore, no provision of PEPRA shall be deemed to impair any provision of this MOU or any MOU, Agreement, Rule or Regulation predating this MOU. PEPRA includes, but is not limited to, the provisions described below:

Unit members hired on and after January 1, 2013, deemed to be a "new member" as defined in Government Code § 7522.04, shall individually pay an initial Member CALPERS contribution rate of 50% of the normal cost rate for the Defined Benefit Plan in which said "new member" is enrolled, rounded to the nearest quarter of 1%, or the current contribution rate of similarly situated employees, whichever is greater.

Unit members who are "new members" and miscellaneous employees on and after January 1, 2013, shall be enrolled in the PEPRA provided for 2% @ 62 retirement formula (Govt. Code § 7522.20).

Unit members who are "new members" on and after January 1, 2013, shall have "final compensation" measured by the highest average annual pensionable compensation earned by the member during a period of at least 36 consecutive months (Section 7522.32.), and their retirement benefits shall be calculated based on "pensionable compensation" (Section 7522.10) rather than "compensation earnable" (Section 20636).

ARTICLE 7 - HEALTH INSURANCE AND RETIREE MEDICAL BENEFIT PROGRAM

7.1 IRS SECTION 125 BENEFIT PLAN - The City shall continue to provide the amounts listed below toward the payment of premium for employees covered by this Agreement under an IRS Section 125 Benefit Plan. The current core benefits include life and long term disability insurance. Medical insurance is a core benefit which a City employee is required to carry unless he or she is covered by another medical insurance plan with comparable coverage at the end of the open enrollment period.

7.2 PERS HEALTH BENEFITS PROGRAM - Employees shall have the option of choosing medical coverage under the Public Employees' Retirement System Health Benefits Program.

7.3 CONTRIBUTION AMOUNT - The City's contribution as of January 1, 2007 was \$674 per month per employee towards a flexible benefit account. Effective January 1, 2008, the City's contribution amount was \$799 per month. Effective the first payroll period commencing on or after City Council adoption of the 2013-2016 MOU, but not earlier than July 1, 2014, the City's contribution towards a flexible benefit account was \$919 per month prior to City Council adoption of this MOU. The City's contributions towards a flexible benefits account shall increase as follows.

Year 1 – Beginning with the first full pay period starting after ratification of this MOU by the City Council, the monthly contribution for all classifications subject to this MOU shall be increased from \$919 to \$1,100.

Year 2 – Beginning with the first full pay period starting in July, 2017: the monthly contribution for all classifications subject to this MOU shall be increased to \$1,200.

Year 3 – Beginning with the first full pay period starting in July, 2018: the monthly contribution for all classifications subject to this MOU shall be increased to \$1,300.

Year 4 and after – Beginning with the first full pay period starting in July, 2019: the month contribution for all classifications subject to this MOU shall be increased to \$1,400.

Opt Out: All employees must enroll in an available City health program unless they opt out. In order to opt out, an employee must provide the following: (1) proof that the employee and all individuals for whom the employee intends to claim a personal exemption deduction for the taxable year or years that begin or end in or with the City's plan year to which the opt out applies ("tax family"), have or will have minimum essential coverage through another source (other than coverage in the individual market, whether or not

obtained through Covered California) for the plan year to which the opt out arrangement applies (“opt out period”); and (2) the employee must sign an attestation that the employee and his/her tax family have or will have such minimum essential coverage for the opt out period. An employee must provide the attestation every plan year at open enrollment or within 30 days after the start of the plan year. The opt-out payment cannot be made and the City will not in fact make payment if the employer knows that the employee or tax family member doesn’t have such alternative coverage, or if the conditions in this paragraph are not otherwise satisfied.

7.4 DISCONTINUANCE OF MEDICAL PLAN WAIVER - In 1994, the City began deducting \$16 per pay period from employees “flex bucket” allocation consistent with the Public Employees’ Medical and Hospital Care Act requirement that employees and retirees receive an equal contribution from the city toward the medical plan. In addition, employees who chose to waive medical coverage (“waivered employees”) were also charged the \$16 per pay period for equity reasons as an administrative fee. Over the years, the Government Code (PERS Law) increased the \$16 amount and the employees, retirees and “waivered employees” were required to deduct the new amounts from the flex buckets each month. The amount increased to \$32.20 in 2004, \$48.40 in 2005, \$64.60 in 2006, \$80.80 in 2007 and increased to \$97 in 2008. Starting calendar year 2009, the calculated adjustments have been based upon the medical care component of the CONSUMER PRICE INDEX-URBAN (CPIU). During 2013, the amount increased to \$115 and will increase to \$119 in 2014. The amount of the deduction from the flex bucket is annually adjusted pursuant to Government Code § 22892(b)(F)(2).

The City and CMCEA mutually agree that there is no continuing need that waived employees need to be tied to the PEMHCA deduction. Therefore, effective the pay period including July 1, 2007, employees who have provided proof of other medical insurance in accordance with the City’s requirements, will be eligible to receive the full flex bucket contribution, without a reduction for medical coverage waiver. This provision acknowledges that this issue is resolved in its entirety and no retroactive adjustments will be made regarding the waiver program.

7.5 QUALIFICATION FOR FLEX CONTRIBUTION - Employees must receive compensation for the entire pay period to receive the flexible benefit contribution amount. Use of accrued leave qualifies as compensation for this purpose. Employees will be ineligible for the flexible benefit contribution if the employee records absence without pay hours within the pay period. Disciplinary actions will not disqualify an employee from receiving the flex contribution. Catastrophic illness leave donations to employees will not meet the qualifications for the flex contribution.

7.6 RETIRED EMPLOYEES’ MEDICAL PROGRAM - Unit employees hired prior to City Council adoption of the 2013-2016 MOU, will participate in the retiree life and medical insurance programs as defined in City Council Policy 300-1. The City shall continue to provide life and medical insurance for retired employees of the City as defined in Council Policy 300-1.

7.7 REOPENER - The City may reopen negotiations on the issue of health insurance benefits or cafeteria plan (including, as to both, but not limited to, plan benefits or structure, City or employee contributions and/or opt out amount or requirements) in order to avoid penalties or taxes under the ACA that may result from an interpretation of the ACA by the Internal Revenue Service or other federal agency (including, but not limited to, a revenue ruling, regulation or other guidance) or a ruling by a court of competent jurisdiction.

- F. Scheduling of Vacation Leave - It is the employee's responsibility to request, schedule and use vacation time to avoid exceeding the maximums. However, in the event the maximum is reached, the City has the right to schedule the employee off in order to reduce the accrued hours to be within the cap.

Employees must submit vacation requests in a timely manner in accordance with the Department requirement and as appropriate for the employee's Departmental operational needs.

Departments which have 24 hours a day/7 days a week operations have established request procedures that require significant advance notice so all vacation requests may be coordinated as fairly as possible based upon the operational needs of the Department and or Division.

- G. The holiday pay bank may be cashed out at any time during the year. At the end of the payroll year, any remaining holiday pay will be cashed out unless the employee previously elects to have it applied as accrued vacation. Throughout the payroll year, if an employee, who has selected this option, decides to take a holiday off, they must use either vacation or comp time, not holiday time.

Employees hired after January 1 of each year are eligible for holiday pay on a pro-rata basis during the calendar year based on the established City holiday schedule. If an employee separates from the service of the City and has used or been paid for holiday pay in advance of the date(s) or day(s) the holidays actually occurred, the City will deduct the cash value for the holiday benefits paid, but unearned, at the time of separation from the final paycheck. - B. In all cases as specified in Item 8.13(A) above where sickness or injury is incurred as a result of employment and is initially compensable under California's Worker's Compensation laws, the employee's full regular salary for the waiting period required under such laws shall be paid by the City.

If there is a question about whether the injury or illness qualifies as an industrial injury under the state's Workers' Compensation laws, the City will conduct an investigation and make a determination as provided under such laws. Compensation for time off due to disability during this determination period will be maintained through the use of the employee's personal accrued leave. If the injury is determined to be industrial, then the time off due to

the disability will be converted to Industrial Accident Leave and the personal leave hours used during the determination period will be restored to the employee.

- C. All regular or probationary full-time employees, shall be entitled to Industrial Accident Leave and compensation on the following basis:

When any full-time employee of the City (including probationary full time employees) qualifies for temporary disability payment under the State of California Labor Code or the Workers' Compensation benefits, the employee shall receive paid leave for a period not to exceed (up to) sixty-six work days (528 hours) of leave for each separate injury. An injury shall be deemed to continue through a recurrence or aggravation to the original injury. Claimed recurrences or aggravations of any injury approved for industrial leave shall be charged to the balance, if any, of the maximum allowance of such leave for the original injury.

The leave in this section is intended for compensation while the employee is disabled from work and shall not be used to attend doctor's appointments, physical therapy, or other medical appointments when the employee is cleared to work light, modified or regular duty.

- D. Employees with accepted industrial injury leave shall continue to receive a flex contribution for benefits in accordance with Section 7.3. Employees under this section will be responsible for the employee portion of health and any other cafeteria plan premiums for the duration of coverage under the plan.

ARTICLE 9 - HOURS OF EMPLOYMENT

9.1 HOURS OF WORK

- A. Workweek - The average workweek for all full-time positions shall be forty (40) hours.
- B. Work Shifts - The work shift for employees in specific departments, divisions or sections may be established on a pay period basis, beginning on a Sunday and ending with the second Saturday thereafter, or beginning at noon on a Friday and ending at noon the second Friday thereafter. Such employees who occupy full-time positions shall be scheduled to work eighty (80) hours in each payroll period. Such work periods shall not be implemented without the City and the appropriate employee association first meeting and conferring on such hours of work for each section, division and/or department proposing implementation of such work shifts.
- C. Work Schedule - Work schedules for the regular workweek shall be one of the following: five eight (8) hour days on and two days off, or four ten (10) hour days on and three days off. Work schedules for work shifts established on a pay period basis shall usually be ten (10) eight hour days on and four days off. All employees shall be scheduled at least two consecutive calendar days off. The work schedule for each position shall be established by the department director and approved by the City Manager. For all employees working a 9/80 work schedule, their work week shall begin exactly four (4) hours into their eighty (80) hour shift on the day of the week which constitutes their alternating regular day off.
- D. Exchange of Work Shifts - Exchange of work shifts may be granted by the department director for emergency or other justifiable reasons. Such exchange of work shifts shall be reported to the payroll division of the Finance Department in the form and on the dates specified.

ARTICLE 10 - ATTENDANCE

Employees shall be in attendance at their work in accordance with Rules regarding hours of work, holidays and leaves. All departments shall keep daily attendance records. Any unauthorized tardiness or absence is cause for disciplinary action.

ARTICLE 11 - MOVE-UP PAY LIMITATION

Eligible employees temporarily assigned to perform the work of a higher classification for a period of at least two weeks may be compensated at 5% above their current rate of pay for up to 90 days. After 90 days, either the position will be reclassified, the employee will be given an acting appointment, or the move-up duties will be removed from the employee's assignment. Time limits on move-up pay may be extended on an individual basis by prior written, mutual agreement by the City and CMCEA. An acting appointment will be made when the employee is performing all of the duties of the higher-level classification.

ARTICLE 12 - TUITION REIMBURSEMENT AND PROFESSIONAL DEVELOPMENT

12.1 **TUITION REIMBURSEMENT** - Tuition and/or textbook costs required to complete educational courses which are taken by an employee and which pertain to his or her City employment, may be reimbursed to the employee by the City if reimbursement is recommended by the employee's department director and approved by the City Manager. The employee on whose behalf the recommendation is made must also maintain a passing grade which is verified by the Assistant City Manager's receipt of an official copy of the employee's grades prior to any reimbursement.

- A. The City will reimburse up to a maximum of \$1,250 per fiscal year for qualifying expenses.
- B. The parties agree that the City's budgetary guidelines do not impact the tuition reimbursement program, nor do the guidelines prevent a represented employee from continuing to participate in tuition reimbursement for approved courses.

12.2 **PROFESSIONAL DEVELOPMENT** - The City endorses outside City-paid education and training, attendance at professional meetings and conferences, and dues and memberships in job specific organizations in which the City receives specific benefits for all CMCEA represented employees. Department directors may request in the budget up to \$1,000 per full-time department employee per year with appropriate justification from the employee. The up to \$1,000 Professional Development budget per full-time department employee limit pertains to education/training, meetings/seminars and conferences (including travel and meals), dues and memberships. Department directors have the right to determine the benefit to the City for the professional development request, staffing requirements and funding availability. Employees have the right to appeal to the Human Resources Division if they feel their request did not receive fair consideration by their Department Director.

ARTICLE 13 - UNIFORM APPLICATION OF RULES

To attempt to maximize the uniform application of policies and rules, the City has an interest in providing training and information to assist employees in understanding their rights. Through the committed efforts of both the City's Human Resources Division and CMCEA, attempts will be made to resolve any related problems utilizing processes such as supervisory training, explanation of the harassment policy and informal grievance procedures.

ARTICLE 14 - COST OF SERVICES

14.1 **POLICY** - It is in the interest of the City of Costa Mesa and CMCEA to establish a consistent policy regarding the City's approach to evaluating the cost of providing municipal services on a regular basis in which CMCEA has an interest. It is recognized that as prudent professionals, the ongoing evaluation of costs should be a collective process of sharing information on a participative basis to develop sound decisions and appropriate practices. The City is interested in involving the employee associations to the greatest degree in this regard; and, as such, agrees to make them part of discussions regarding the contracting services.

14.2 **CONTRACTING OUT** - It is further agreed that should a decision be made to contract out for a specific service which is at the time being performed by employees covered by this MOU, the employees affected will be given sufficient notice (a minimum of six months) in which to evaluate their own situation and plan for their future. To this end, the City will make every effort to transfer and utilize regular attrition in making the necessary adjustments. The City will assist employees in this endeavor through training and through preferential treatment (under meritorious consideration) when filing vacancies.

14.3 **OUTSOURCING OF STREET SWEEPING FUNCTION** – The City and the CMCEA have been engaged in and continue to be engaged in litigation regarding the ability of the City to outsource work performed in CMCEA-represented job classifications. Notwithstanding said litigation or whatever its resolution may be, the parties agree to a single instance of outsourcing of the street sweeping function and of the personnel, if any, necessary to perform that function. The contracting out of the street sweeping function shall not be subject to the minimum six months notice request in Section 14.2 above or to any other notice or condition precedent to contracting out whether set forth in this MOU or otherwise. This street sweeping function outsourcing shall be effective concurrent with City Council adoption of the 2013-2016 MOU and shall not have a sunset date.

This specific outsourcing agreement shall not be precedent-setting and shall not be construed as CMCEA's agreement that the City may outsource any other work performed in the past or currently performed by employees in job classifications represented by CMCEA.

Additionally, neither this MOU nor the actions authorized regarding this street sweeping function outsource may be introduced as evidence by either party in any judicial or quasi-judicial proceeding between the City, CMCEA, or the Orange County Employees' Association. It is understood that this MOU shall not be construed as any admission or acknowledgement by the City or the CMCEA, respecting the application or non-application of Government Code §§ 37103, 53060, or 45007 to the outsourcing of the street sweeping function.

Additionally CMCEA agrees that it will not amend its current lawsuit against the City, bring a new lawsuit against the City, or authorize OCEA or any other entity or person acting or purporting to act on behalf of CMCEA or any of its members, to challenge, on any basis, the outsourcing of the street sweeping function as described herein.

Finally, implementation of this Article 14.3 shall not result in the layoff of any full time unit member.

ARTICLE 15 - CLASSIFICATION AND COMPENSATION INEQUITY ISSUES

15.1 **REQUEST FOR STUDIES** - Employees seeking a classification/compensation study of their position may request a study through CMCEA. CMCEA may request on or after January 30, 2016 and each January thereafter, that the Human Resources Division conduct up to five classification studies. The CMCEA will be responsible for submitting completed Position Analysis Questionnaires for the requested position studies with a cover memorandum explaining the changes in duties, organization or marketplace for each position. The Human Resources Division will study the positions and meet with CMCEA with its recommendations.

Commencing July 1, 2016, CMCEA may request that the Human Resources Division conduct up to five compensation inequity studies for non-benchmark classifications. The Human Resources Division will study the positions and meet with CMCEA in August of each year after July 1, 2016 with its recommendations.

Commencing with the meet and confer process regarding negotiation of a successor to the 2013-2016 MOU, the results of the above studies shall be one of many factors that may be considered by the parties in formulating and considering proposals for a successor to the 2013-16 MOU, however the product of the above studies shall not result in any mandated changes in wages, hours or other terms and conditions of employment.

15.2 **NEW CLASSIFICATIONS** - The City acknowledges its legal obligation to meet and consult with CMCEA prior to the creation of a new classification and to bargain in good faith regarding the appropriate salary for the new classification within its bargaining unit.

ARTICLE 16 - TEMPORARY EMPLOYMENT IN VACATED CMCEA-REPRESENTED POSITIONS

The City agrees to adhere to the hours limitation as outlined in Administrative Regulation 2.7 to ensure that temporary employees are not hired into vacated CMCEA-represented positions for long durations.

ARTICLE 17 - LABOR-MANAGEMENT DISCUSSIONS

In the absence of contract re-openers, the City and CMCEA agree to meet not more than twice in a calendar year to discuss issues of mutual interest which may be subject to the meet-and-confer process. This MOU can be only amended by the written agreement of both sides.

ARTICLE 18 - SUPERVISORY JOB CLASSIFICATIONS

The employees in the classifications identified on Appendix A have been determined by the City Manager to be supervisory employees. A “supervisory” employee is one who has recommendation authority to hire, transfer, suspend, layoff, recall, promote, discharge, assign, evaluate or discipline other employees, and/or responsibility to direct employees.

ARTICLE 19 - LAYOFF PROCEDURES

19.1 **PURPOSE** - Employees covered by this MOU may be laid off due to material changes in the essential duties of their job or due to material changes in the organization. Likewise, the shortage of work or funds available to the City may also cause layoffs. If a layoff is deemed necessary, the appointing authority shall notify the City Manager of the layoff with reasons therefore thirty (30) calendar days before the effective date of layoff. Said employee shall be considered for re-employment as provided by the Personnel Rules.

19.2 **PROCEDURE** - When a position within a class is abolished thereby necessitating a layoff, the following procedure shall be followed:

- A. Reductions in the workforce shall be made by class within a department except that, where appropriate, the City Manager may authorize a layoff by division or smaller unit within a department. In the event of a comprehensive reduction in the workforce, the City Manager may decide to lay off by class City-wide regardless of department.
- B. In accordance with Rule 14, Section 9 of the Personnel Rules and Regulations, thirty (30) calendar days before the effective date of layoff, the appointing authority shall notify the Assistant City Manager of the intended action with reasons therefore. In the event a decision is made by the City to contract out for a specific service performed by City employees, the City will give the affected employees a minimum of six (6) months advance notification in which to evaluate their own situation and assist in planning for the future. The City shall meet and consult with CMCEA on such matters as the timing of the layoff and the number and identity of the employees affected by the layoff.
- C. A reassignment or voluntary demotion within the employee's division or department to an equivalent or lower job class may be made to prevent a layoff, provided the employee is qualified by education and/or experience, is capable of performing the duties of the

- classification and has satisfactory performance evaluations for the preceding two (2) years. An employee so reassigned or demoted shall be placed on the salary step within the new classification range closest to the rate of pay which the employee previously received. Whenever an employee is reassigned or demoted to a vacant position in the same class, an equivalent class, or lower class as herein provided, he or she shall retain the same anniversary date for purposes of merit pay increases. An employee so reassigned or demoted shall be reinstated to his or her former job class and salary step status when positions in the former job class within the affected division or department become vacant, provided that the employee has performed satisfactorily in the current position and requests reinstatement to the former position. Such reinstatement shall be on the basis of City-wide seniority.
- D. In the event of a layoff, those employees in the classification affected with the least City-wide seniority shall be laid off first. Seniority shall be defined as continuous City service based upon hire date. Strict application of seniority shall prevail unless exceptional circumstances occur of which the concerned employee organization shall be fully apprised in advance. The order of layoff shall be:
1. Part-time and temporary employees in the affected classification shall be separated first.
 2. Probationary employees in the affected classification shall be separated next.
 3. Permanent employees with the least City seniority will be laid off first. Other affected employees will be laid off in sequential order thereafter.
 4. Exceptional circumstances, as used above, includes the City's maintenance of a qualified workforce of competent employees based upon the persons employed having satisfactory performance evaluations for the preceding two (2) years.
 5. Exceptional circumstances also include the recognition of the need to retain employees possessing special technical skill, training or knowledge within an affected classification as dictated by the work or services being performed. This exception can only be applied to those classifications within the occupational series utilizing said skills, knowledge or training. The determination to grant such an exception can be made only with the approval of the City Manager. The City will share the findings of any proposed exception with CMCEA prior to making any recommendation to the City Manager.
 6. Employees who have not successfully completed promotional probation by the layoff notification date shall revert back to the last class in which the employee held permanent status for purposes of determining order of layoff.
 7. When two (2) or more employees have *equal* seniority, the department shall determine the layoff order for these employees based upon merit and ability as determined by their performance evaluations for the preceding two (2) years and possession of specific technical skills utilized in the job.
- E. An employee scheduled to be laid off is entitled to displace, or "bump," into a position in a classification within the same occupational series which is currently being held by an incumbent with less overall City seniority, provided it is in a position in which the employee formerly held permanent status or one in which the employee is qualified by education and/or experience, and is capable of performing.. The employee must exercise his or her displacement rights in writing within five (5) working days from receipt of layoff notification.
- F. When the employee with the least City seniority is displaced by the person scheduled for layoff, the displaced employee shall be considered as laid off for the same reason as the person who displaced him or her and shall in the same manner be eligible to displace to a position in the same manner as described above.

- G. An employee laid off from City employment shall be eligible for the same sick leave payoff as defined in the Sick Leave Incentive Program for retirees.
- H. The name of an employee who has been laid off due to the reduction in the workforce shall be placed on the reemployment list for his or her job class. The reemployment list shall be used by all appointing authorities within the affected division or department whenever a vacancy for that class is to be filled. Names will remain on the appropriate reemployment list for a period of three (3) years from the date of separation. Persons on the reemployment list shall be reemployed within the division or department from which they were laid off at his or her former salary step status when positions in his or her former job class become vacant. Reemployment shall be on the basis of previous City seniority. After separation from City employment for more than one (1) year, a person rehired may be required to successfully pass a physical and competency examination.
- I. Whenever an employee is reemployed to a vacant position in his or her former job class, he or she shall be given a new anniversary date for purposes of merit pay increases and performance reviews in accordance with the provisions of the City's Personnel Rules and Regulations.
- J. An employee rehired from the reemployment list shall be considered to have continuous service for seniority purposes and may be credited with the amount of accumulated vacation and sick leave he or she had accrued at the time of layoff if he or she remits to the City of Costa Mesa the payments received by the employee under the City's separation provisions and the Sick Leave Incentive Program.
- K. Failure to return to work from layoff within twenty-one (21) calendar days after notice to return has been served upon the former employee by certified or registered mail at his or her last known address on file with the City's Human Resources Division shall constitute the employee's waiver of any right to return to work and eliminates any future reemployment requirements placed on the City.
- L. All other benefits or programs in effect at the time of layoff shall be forfeited upon reemployment unless they are still applied to the old classification at the time of rehire or provided to new hires as of that date.
- M. Employees subject to layoff may file a grievance under Rule 25 of the Personnel Rules and Regulations only if there has been an improper interpretation or misapplication of this procedure.

ARTICLE 20 - GRIEVANCE AND DISCIPLINE PROCEDURES

20.1 **DISCIPLINE AND GRIEVANCE PROCEDURES** - The Discipline and Grievance Procedures have been adopted and are part of this MOU as Appendices B & C.

20.2 **MODIFICATIONS** - Said procedures have been modified by the following points:

- A. Major Discipline - The parties agree to modify the selection of an arbitrator as identified in paragraph B, by having each party submit five names to complete a listing of ten possible arbitrators. When an arbitrator is needed each party may strike three names. If the parties cannot agree on one arbitrator from the remaining four names, the matter will be heard by the person nominated whose availability fits the time frames associated with the grievance process, and who is available at the earliest possible date.
- B. Grievance Procedure - The parties agree to modify the procedure identified in paragraph 6 to include that "should mediation not produce satisfactory resolution, the grievant may request the matter be heard by City Manager or designee, or an impartial hearing officer (arbitrator). The recommendation of an arbitrator shall be advisory to the City Manager or designee. Should

the matter be submitted directly to the City Manager or designee he or she shall schedule a meeting or respond in writing. Each party shall pay the cost of the arbitration. A court reporter shall be retained only by mutual consent of the parties.”

ARTICLE 21 - PERSONNEL RULES AND REGULATIONS

All applicable City Personnel Rules and Regulations (which have not been included herein) shall be considered incorporated within this MOU, unless expressly demonstrated to be in conflict.

ARTICLE 22 - DISABILITY DISCRIMINATION

22.1 **DISCRIMINATION AVOIDANCE** - Because the Americans with Disabilities Act (“ADA”) and the California Fair Employment and Housing Act (“FEHA”) require accommodations for individuals protected under the Acts, and because these accommodations must be determined on an individual case-by-case basis, the parties agree that the provisions of this agreement may be disregarded in order for the City to avoid liability under ADA or FEHA relative to hiring, promotion, granting permanency, transfer, layoff, reassignment, termination, rehire, rates of pay, job and duty classification, seniority, leaves, fringe benefits, training opportunities, hours of work or other terms and privileges of employment, and the accommodation thereof under the Acts. is unnecessary

22.2 **INTERACTIVE PARTICIPATION** - CMCEA recognizes that the City has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions. CMCEA will be notified of these proposed accommodations prior to implementation by the City.

22.3 **PAST PRACTICE** - Any accommodation provided to an individual pursuant to the Acts shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in a grievance/arbitration procedure.

ARTICLE 23 - FAMILY AND MEDICAL LEAVE ACT

23.1 **RIGHTS AND OBLIGATIONS** - As required by State and Federal law ("FMLA") the City will provide family and medical care leave for eligible employees. Administrative Regulation 2.28 sets forth employees' rights and obligations with respect to such leave. Rights and obligations which are not specifically set forth therein are set forth in the Department of Labor regulations implementing the Federal Family and Medical Leave Act of 1993 (FMLA), and the regulations of the California Fair Employment and Housing Commission implementing the California Family Rights Act (CFRA) (Government Code 12945.2).

23.2 **ENTITLEMENTS** - Rights of qualified employees under FMLA include: (1) entitlement of up to 12 weeks of unpaid leave in a year; (2) continuation of the City's portion of any medical insurance contributions made on behalf of the employee for the duration of the leave; and (3) no loss of seniority.

ARTICLE 24 - BENEFIT REVIEW COMMITTEE

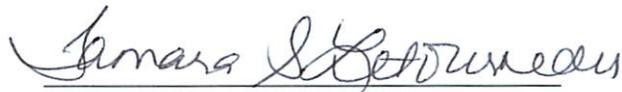

The Association shall maintain two representatives on the City’s Benefit Review Committee. The Committee continually evaluates the City’s benefit programs and makes recommendations on plan changes, benefit levels, payroll deductions and the addition or deletion of plans. Participation on the Benefit Review Committee meets the City’s obligation to negotiate with the associations on changes to the City’s group benefit plans unless an association determines that such changes are detrimental to the interest of its members.

CITY OF COSTA MESA

GRIEVANCE PROCEDURE

Definition

A "grievance" is a formal, written allegation by an employee, who is the grievant, that he or she has been adversely affected by a violation, misinterpretation or misapplication of the specific provisions of the Memorandum of Understanding and/or provisions of the Personnel Rules and Regulations or other City policies. Other matters for which a special method of review is provided by law, ordinance, resolution, or by administrative regulations and procedures of the City, are not within the scope of this procedure, although other methods of review may be joined with the grievance procedure where the factual basis for the review and the grievance are similar.

This procedure is not to be used in lieu of the Discipline Appeals Procedure.

Procedure

1. **Informal Resolution**: Every effort shall be made to resolve a grievance through discussion between the employee and his or her immediate supervisor. It is the spirit and intent of this procedure that all grievances are settled quickly and fairly without any discrimination against employees who may seek to resolve a grievance by invoking this procedure. Every effort should be made to find an acceptable solution at the lowest level of supervision. Within fifteen (15) calendar days after a grievant knew, or by reasonable diligence should have known, of the condition upon which a grievance may be based, the grievant shall attempt to resolve it by an informal conference with the grievant's immediate supervisor.
2. The immediate supervisor shall render his or her decision in writing within fifteen (15) calendar days of the informal conference. If the problem cannot be resolved between the employee and the supervisor, the employee may, within ten (10) calendar days from the date of receiving the answer from his or her supervisor, request and be granted an interview with the division manager, if one exists, in order to discuss the grievance.
3. The division head shall render his or her decision in writing within fifteen (15) calendar days of receiving the appeal. If the division head and employee cannot reach a solution to the grievance, the employee may, within ten (10) calendar days from the date of receiving the answer from the division manager, request, in writing, and be granted an interview with the department director.
4. The department director shall render his or her decision in writing within fifteen (15) calendar days of receiving the appeal. If the department director and employee are unable to arrive at a satisfactory solution, the employee may, within fifteen (15) calendar days from the date of the decision by the department director, submit a written appeal to the City Manager or designee or request grievance mediation.
5. As an alternative to proceeding directly to the final step of the grievance procedure, the parties may mutually agree to submit a grievance to mediation. A request for mediation may be presented in writing to the Assistant City Manager within fifteen (15) calendar days from the date a decision was rendered by the Department director. A request for mediation will automatically suspend the normal processing of grievance until the mediation process is completed, or the request is denied. The Assistant City Manager shall endeavor to schedule the mediation meeting within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be considered advisory. Within ten (10) calendar after completion

of the mediation process, the employee may request to proceed to the final step of the grievance process.

6. Should grievance mediation not produce satisfactory resolution, the City Manager or designee shall review the grievance and respond to the employee within twenty (20) calendar days of receiving the appeal. The City Manager or designee shall have the option of scheduling a meeting to hear the grievance, or a response may be provided in writing based upon the prior written grievance record. This will be considered an expression of management's viewpoint, and shall be the final administrative review.
7. If any of the time limits associated with any of the steps wherein an employee may appeal the determination of a prior step should elapse, the grievance shall be considered withdrawn. Time limits may be extended by mutual consent. If the supervisor or manager responding on behalf of the City fails to respond within the prescribed time limits, the grievance will be deemed to have been denied and the employee may go to the next step.
8. The employee may request the assistance of another person of his or her own choosing in preparing and presenting his or her grievance at any level of review. In the event the employee desires the presence of a representative who is an employee of the City, he or she shall make such request through the supervisor and the supervisor shall make the necessary arrangements for the employee representative to be present. Because this procedure has been approved by the Association under the provisions of the MOU, any representative of the employee must be acceptable to the Association, or said representative shall not assist the employee as defined herein.
9. The employee and/or his or her representative may use a reasonable amount of work time as determined by the appropriate supervisor or department director in presenting the appeal. However, no employee shall absent himself or herself from scheduled work without first being excused by his or her supervisor.
10. No employee shall be required to be represented by an employee organization in processing a grievance.
11. Employees shall be assured freedom from reprisal for using the grievance procedures, or for being a witness in a grievance, by both the City and the employee organization.
12. The settlement terms of a grievance which is processed by an employee individually or by a recognized employee representative shall not conflict with the express provisions of a Memorandum of Understanding between the City and the recognized employee organization for such unit, if any.
13. A group grievance may be filed when one (1) set of circumstances or occurrences affects more than one (1) employee in the same manner or to the same extent. The group may file one (1) document which all members of the group have read and signed. Members of the group shall be limited to those who have signed the grievance. The resolution of a group grievance may not be consistent among all employees in the group grievance due to differences in the circumstances or occurrences that brought about the grievance.

A group grievance affecting all members of a class or the organization as a whole may be brought by the employee organization itself. In such case the procedure shall be commenced directly at the City Manager or designee level within fifteen (15) working days after authorized representatives of the employee organization knew or by reasonable diligence should have known of the condition giving rise to the grievance and shall be subject to all applicable time limitations and the provisions set forth above.

CITY OF COSTA MESA

- T. Falsification of any City report or record, or of any report or record required to be, or, filed by the employee.
- U. Violation of any of the provisions of the City Code, ordinances, resolutions, or any rules, regulations or policies which may be prescribed by the City Council, City Manager, department manager or supervisor.
- V. Political activities precluded by Local, State or Federal law.
- W. Other acts which are incompatible with service to the public.

Types of Discipline

Types of discipline include the following: warning/reprimand, suspension, demotion or reduction in pay and dismissal. Voluntary demotions as well as performance evaluations are not considered disciplinary actions. The appeal or the review of a performance evaluation is limited to the supervisor's supervisor, whomever that may be. The following procedures shall be followed when, in the judgment of the department director, an employee has committed an act or omission that justified the disciplinary action indicated. Except for written warnings/reprimands, the department director or his or her designee shall

advise employees of contemplated disciplinary actions in writing and allow the employee an opportunity to respond to such charges prior to taking action.

When life, or employee safety, is endangered, or the self-control of an employee is questionable, a supervisor shall take immediate action to reduce or eliminate the danger or to establish control. In case of an emergency, an employee shall have all of the rights set forth herein, except, in the discretion of the appointing authority, an employee may be placed on administrative leave with pay pending pre-disciplinary procedures. The Assistant City Manager must be contacted immediately.

- A. Warning/Reprimand: If the warning/reprimand is in writing it should be signed by the employee acknowledging receipt. The department shall give the employee a copy and forward a copy to the Assistant City Manager for review and retention in the employee's personal history file. A written warning/reprimand shall contain a description of the events which necessitated the action, specific expectations of change by the employee, and notice of further action in the event a change by the employee does not occur. An employee shall have the right to attach a written rebuttal and/or file an appeal.
- B. Suspension: A department director or his or her designee may suspend an employee with or without pay from his or her position. Any placement of an employee on administrative leave pending pre-disciplinary response shall be with pay. The appointing authority shall advise the Assistant City Manager in writing of such intended action and shall give a copy of such statement to the employee. The written statement shall contain a description of the events which necessitated the suspension, a statement of the charges, notification that the employee may review and be provided with the materials leading to the suspension, the right of the employee to meet with the appointing authority and/or to respond in writing within a reasonable time frame to the charges, and notice of further action in the event a change by the employee does not occur. Unless extended by approval of the City Manager or designee on written recommendation of the department director, the maximum period of suspension shall be thirty (30) calendar days. These procedures are available prior to the implementation of discipline.

Disciplinary actions involving suspensions of four (4) work days or less, as well as oral and written reprimands are not exempt from the notification requirements. However, in such disciplinary actions the employee does not have the right to respond to the appointing authority prior to the effective date of the proposed action.

- C. Demotion or Reduction in Pay: A department director shall advise the Assistant City Manager in writing of his or her intention to demote or reduce the salary of an employee prior to taking such action. In demoting an employee or reducing his or her salary, the department director shall make a written notice and shall give a copy of said notice for demotion or reduction in pay to the employee and forward a copy to the Assistant City Manager for review and retention in the employee's personal history file. The written statement shall contain a description of the events which necessitated the demotion, a statement of the charges, notification that the employee may review and be provided with the materials leading to the demotion, the right of the employee to meet with the appointing authority and/or respond in writing within a reasonable time frame to the charges, and notice of further action in the event a change by the employee does not occur.
- D. Dismissal: A department director shall advise the Assistant City Manager in writing of his or her intention to dismiss an employee prior to taking such action. In dismissing an employee, the department director shall make a written notice and shall give a copy of said notice of dismissal to the employee and forward a copy to the Assistant City Manager for review and retention in the employee's personal history file. The written statement shall contain a description of the events which necessitated the dismissal, a statement of the charges, notification that the employee may review and be provided with the materials leading to the dismissal, and the right of the employee to meet with the appointing authority and/or respond in writing within a reasonable time frame to

the charges. These procedures are pre-disciplinary in nature.

Notices

Written notices will be given to the employee in person whenever possible and the employee's signature obtained to indicate receipt. In the absence of personal service, the notice may be sent by registered mail.

Employee's Response

An employee's opportunity to respond to the appointing authority is not intended to be adversarial in nature. An employee has the right to have a representative of his or her own choosing at the meeting. The employee need not be accorded the opportunity to cross-examine a department's witnesses, nor to present a formal case in opposition to the proposed discipline. However, the limited nature of this response does not obviate the appointing authority's responsibility to initiate further investigation if the employee's version of the facts raises doubts as to the accuracy of the department director's information leading to the discipline proposal. An employee may elect not to respond, thereby waiving any further pre-disciplinary response.

The appointing authority will evaluate the proposed discipline in light of the employee's response, if any. Within five (5) working days of the employee's response, or deadline for response, a decision will be transmitted in writing to the employee. Service of the decision will be in person or by registered mail.

Appeal Procedures

Major Discipline

Any permanent employee in the classified service shall have the right to appeal any termination, suspension of forty (40) hours or more, denial of a merit increase, reduction in salary, or non-probationary demotion. The appeal process shall not be applicable to those positions which may be deemed exempt from the classified service or to probationary employees. The appeal process shall not be applicable to verbal reprimands and performance evaluations.

An employee desiring to appeal the appointing authority's decision shall have ten (10) calendar days after receipt of the response to file an appeal. The employee's request for appeal must be addressed to the Assistant City Manager and received in the Human Resources Division so that same is date stamped by the Human Resources Division within the 10-day period.

If, within the 10-day appeal period, the employee involved does not file said appeal, unless good cause for the failure is shown, the action of the appointing authority shall be considered conclusive and shall take effect as prescribed. If, within the 10-day appeal period, the employee involved files such notice of appeal by giving written notice of appeal to the Human Resources Division, an arbitration appeal hearing shall be established as follows (the discipline shall nonetheless be implemented concurrent with the Appointing Authority's determination, subject to later modification as may result from the appeal process):

- A. The employee shall file a written request with the Human Resources Division for advisory arbitration to the City Manager or designee. The City and employee will be responsible for all arbitration-related expenses, excluding attorney fees and staff time.

- B. The Assistant City Manager shall provide a list of five (5) arbitrators registered with the American Arbitration Association, California State Conciliation Service or some other agreed upon source within seven (7) calendars of the employee's request. The employee may delete/strike two (2) names from the list. The Assistant City Manager will then select the arbitrator from the remaining names on the list.

- C. The selected arbitrator shall serve as the hearing officer.
- D. Where practicable, the date for a hearing shall not be less than 20 calendar days, nor more than 60 calendar days, from the date of the filing of the appeal with the Assistant City Manager. The parties may stipulate to a longer or shorter period of time in which to hear the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing.
- E. All hearings shall be private provided, however, that the hearing officer shall, at the request of the employee, open the hearing to the public.
- F. Subpoenas and subpoenas duces tecum pertaining to a hearing shall be issued at the request of either party, not less than seven (7) calendar days, prior to the commencement of such hearing. After the commencement of such hearing, subpoenas shall be issued only at the discretion of the hearing officer.
- G. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded. The hearing officer shall not be bound by technical rules of evidence. The hearing officer shall rule on the admission or exclusion of evidence.
- H. Each party shall have these rights: To be represented by legal counsel or other person of his or her choice; to call and examine witnesses; to introduce evidence; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him or her to testify; and to rebut the evidence against him or her. The employee, may be called by the party bearing the burden of proof and examined as if under cross-examination. Oral evidence shall be taken only on oath or affirmation. A court reporter will be engaged to record the hearing, unless the parties (City, hearing officer, employee/employee representative) mutually agree that same is not necessary.
- I. The hearing shall proceed in the following order, unless the hearing officer, for special reason, otherwise directs:
 - 1. The party imposing discipline shall be permitted to make an opening statement;
 - 2. The appealing party shall then be permitted to make an opening statement;
 - 3. The party imposing disciplinary action shall produce the evidence on his or her part; the City bears the burden of proof and burden of producing evidence;
 - 4. The party appealing from such disciplinary action may then open his or her defense and offer his or her evidence in support thereof; the employee bears the burden of proof and the burden of producing evidence for any affirmative defenses asserted;
 - 5. The parties may then, in order, respectively offer rebutting evidence only, unless the hearing officer for good reason, permits them to offer evidence upon their original case;
 - 6. Closing arguments shall be permitted and written briefs may be permitted at the discretion of the hearing officer.

- J. The hearing officer shall determine relevancy, weight, and credibility of testimony and evidence. He or she shall base his or her findings on the preponderance of evidence. During the examination of a witness, all other witnesses, except the parties and Personnel Division representatives, shall be excluded from the hearing unless the hearing officer, in his or her discretion, for good cause, otherwise directs. No still photographs, moving pictures, or television pictures shall be taken in the hearing chamber during a hearing. The hearing officer, prior to or during a hearing, may grant a continuance for any reason he or she believes to be important to reaching a fair and proper decision. The hearing officer shall render his or her judgment as soon after the conclusion of the hearing as possible and in no event later than 30 days after conducting the hearing. His or her decision shall set forth which charges, if any, are sustained and the reasons therefore. The opinion shall set forth findings of fact and conclusions.
- K. The hearing officer may recommend sustaining or rejecting any or all of the charges filed against the employee. He or she may recommend sustaining, rejecting, or modifying the disciplinary action invoked against the employee.
- L. The hearing officer's opinion and recommendation shall be filed with the City Manager or *designee*, and the Assistant City Manager and shall set forth his or her findings and recommendations. If it is a dismissal hearing and a dismissal is not the hearing officer's recommendation, the opinion shall set forth the date the employee is recommended to be reinstated and/or other recommended action. The reinstatement date, if appropriate, may be any time on or after the date of disciplinary action.
- M. The decision of the City Manager or Assistant City Manager shall be final and conclusive. Copies of the City Manager's or designee's decision, including the hearing officer's recommendation(s) shall be filed where appropriate, including the employee's personnel file, unless no discipline is upheld by the City Manager or designee.
- N. Each party will be responsible for all arbitration-related expenses, excluding attorney fees and staff time. Each party shall bear its own witness and attorney fees. If either party unilaterally cancels or postpones a scheduled hearing, thereby resulting in a fee charged by the hearing officer or court reporter, then the party responsible for the cancellation or postponement shall be solely responsible for payment of that fee. This process shall not apply to mutual settlements by the parties which result in an arbitration fee.
- O. In the case of suspension, demotion, reduction in salary, or dismissal prescribed by the City Manager or designee, the time of such suspension, demotion or dismissal shall be effective from the first day after such delivery of said decision by the City Manager or designee, whichever is applicable.
- P. The employee may be placed on administrative leave until resolution/conclusion of the appeals process.
- Q. The provisions of Section 1094.6 of the Code of Civil Procedure shall be applicable to proceedings under this section, including the appeal the City Manager's or designee's final decision into the California Court System, which must be made in accordance to the time standards and procedures established by Section 1094.6 and 1094.5 of the Code of Civil Procedure.

Minor Discipline

Any permanent employee in the classified service shall have the right to appeal any written reprimand and/or suspension of four (4) days or less. The appeal process shall not be applicable to those positions which may be deemed exempt from the classified service or to probationary employees.

If the problem cannot be resolved between the employee and the supervisor, the employee may, within ten (10) calendar days from the date of receiving the answer from his or her supervisor, request and be granted an interview with the department director or his or her designee, in order to discuss the appeal.

The department director or designee shall render his or her decision in writing within fifteen (15) calendar days of receiving the appeal. If the department director and employee are unable to arrive at a satisfactory solution, the employee may, within fifteen (15) calendar days from the date of the decision by the department director, submit a written appeal to the City Manager or designee. The City Manager or designee will respond or his or her designee will respond or schedule a meeting within fifteen (15) calendar days. The City Manager or designee shall render his or her judgment as soon after the conclusion of the hearing as possible and in no event later than 30 days after conducting the hearing. His or her decision shall set forth which charges, if any, are sustained and the reasons therefore. The opinion shall set forth findings of fact and conclusions.

**Side Letter of Agreement Regarding the
Implementation and On-going Review and Management of a
3 day/12 hour Schedule for Communications Officers
in the Telecommunication's Division of the
Administrative Services Department**

This Letter of Agreement has been prepared to address the terms and conditions for implementing a **3-day/12-hour work schedule plus one 8-hour shift ("3/12 schedule")** for the Communications Officers, Senior Communications Officers, and Communications Supervisors ("Communications Officers") in the Telecommunication Division of the Administrative Services Department of the City of Costa Mesa.

In response to a request from the Communications Officers of the Costa Mesa City Employees Association (CMCEA), management participated in a series of meetings with the Communications Officers and representatives of the CMCEA. The request from the Communications Officers was for the City of Costa Mesa ("City") to consider the implementation of a 3-day/12-hour work schedule plus one 8-hour shift during the pay period for the Communications Officers.

The Administrative Services Director met with both the Supervisory Officers and then with all of the full-time Communications Officers to discuss the proposed work schedule. Operational issues surrounding the implementation of a 3-day/12-hour work schedule were then evaluated and an implementation plan was developed. Based on these meetings and discussions, the terms and conditions for the implementation of the 3-day/12-hour work schedule plus one 8-hour shift during the pay period were developed.

Based upon the presentations made and the information developed by the Communications Officers, certain operational benefits are expected to be achieved with the implementation of the 3/12 schedule. The Communications Officers have agreed to a number of provisions and modifications to implement the 3/12 schedule. These provisions and modifications, as detailed in this Letter of Agreement, will be monitored throughout the 18-month trial period. Negative impacts at any time during the trial period could necessitate reverting to the 5-day/8-hour work schedule prior to the end of the 18-months.

Term and Conditions for Implementation

The Communications Officers, as members of CMCEA, and management agree on the following terms and conditions for implementing the 3/12 schedule. These terms and conditions will be monitored throughout the 18-month trial period. Negative impacts to the operations of the Communications Center and/or service to the public at any time during the trial period could necessitate reverting to the 5-day/8-hour work schedule prior to the end of the 18-months. Per this Letter of Agreement, the following terms and conditions are agreed to as follows:

1. Implementation and Sunset Date

The 3/12 schedule will commence with the new pay period that begins at 12:00 a.m. on Sunday, January 8, 2006.

The 3/12 schedule is a new undertaking within the City. As such, it will be evaluated under a "sunset" date of eighteen (18) months from the inception of the new schedule. The sunset date will be Saturday, July 7, 2007 at 11:59 p.m. Throughout the trial period and prior to the sunset date, the 3/12 schedule will be evaluated for continuation based upon the impacts to the community and operations. Any negative impacts that are identified at that time or prior to the sunset date may necessitate reverting to the 5-day/8-hour work schedule prior to the end of the 18-months. On or before June 15, 2007, the 3/12 schedule will be evaluated by management for continuation beyond the sunset date.

2. Shift Differential Pay

Implementation of the 3/12 schedule will have the Communications Officers working one of two different 12-hour schedules (4am-4pm or 4pm-4am) plus one 8-hour shift (8am-4pm or 4pm-midnight) scheduled during the pay period. The shift differential provisions provided for in the 2004-2007 CMCEA Memorandum of Understanding will be rescinded to the Communications Officers who work under the 3/12 schedule. With the implementation of the 3/12 schedule, the shift differential period will be from 6:00 p.m. to 6:00 a.m. All Communications Officers shall receive a shift differential of 7.5% for those actual hours worked between the hours of 6:00 p.m. to 6:00 a.m. only.

3. Shift Coverage

Under the 3/12 schedule staff will not fall below the minimum staffing of 4 persons at any time. The increased coverage with the 3/12 schedule is due to the scheduling of the 8-hour shift each employee will work during the 80-hour pay period.

4. Part-time as First Fill for Vacancies

Part-time personnel are given and will continue to be given the first opportunity to fill all vacancies (scheduled or unscheduled). The division has formalized this management practice in the following procedure that is agreed to and followed by all of the Telecommunication Division staff:

**PART-TIME PERSONNEL
VACANCY FILL PROCEDURES**

Filling Vacancies:

Part-time personnel are to be given the first opportunity to fill all vacancies, scheduled or unscheduled, including vacation extensions and sick leave. The only exception to this will be that of the 2 week, scheduled vacation periods filled by the Vacation Relief Officer.

Time-Off Requests:

Before submitting a time-off request, the person requesting time-off will contact all part-time Communications Officers to obtain a definite "yes" or "no" answer regarding his/her ability to work during the requested time off. If part-time Communications Officers are not available to work, the time-off request will be submitted to the Senior Supervisor who will then evaluate the request and determine if full-time personnel will be allowed to work overtime to fill the time-off.

Minimum Hours:

All part-time Communications Officers shall work a minimum of 16 hours per month. All part-time Communications Officers shall work a minimum of 8 hours per month on each of the 2 defined shifts, if the opportunity exists.

Shift Assignments:

All part-time Communications Officers shall be capable of working any shift without restriction. The Division may assign specific working hours to part-time Communications Officers based on the needs of the Division.

5. Time-off Requests

A written request for compensatory time off shall be made and approved no later than 24 hours prior to the requested time off. Exceptions to this time limit may be allowed on a case-by-case basis. The Senior Communications Supervisor or the Senior Communications Supervisor's designee shall approve or deny any request for time off.

All Communications Officers, on a first come first served basis, who submit a request for time off may utilize accrued compensatory time off (CTO), holiday time or vacation time off provided an approved fill is obtained from the Senior Communications Supervisor and/or their vacancy does not result in less than minimum staffing and does not negatively impact dispatch operations. This policy is subject to suspension in emergency situations at the discretion of the Department Director or his/her designee.

Communications Officers may submit a request for time off (CTO, holiday or vacation) only if the individual requesting such time off has that time available on record at the time of the request.

With regard to the practice of shift trades, Communications Officers will continue to follow the division's Standard operation Procedures as outlined in Telecommunications Division DSOP Section 62.

6. Comp Time & Overtime Accrual

Due to the Communications Officer vacancies that have existed over the past months, overtime and comp time accrual has increased due to the need to backfill these vacancies. Due to the additional days off provided by the 3/12 schedule and the prospect of filling the existing vacancies, it is expected that overtime and comp time accrual will be reduced. To what level it will be reduced is uncertain because many factors outside of the 3/12 schedule (i.e., a long-term absence, unplanned absences, vacancies) can impact the need for overtime. Still, this will be an area that will be monitored for fiscal impacts to the City over the 18-month trial period.

7. Holiday Time: Time Off Bank and Cash Out Option

Prior to the beginning of each calendar year, employees will have a choice to make an irrevocable election for the upcoming payroll year to either (a) take time off for the holidays or (b) cash out holiday pay

Section 8.11 of the 2004-2007 Memorandum of Understanding with CMCEA provides for the cash out and/or banking of annual holiday time for civilians who work without regard to Holidays. The leave bank hours provided for in Section 8.11 of the CMCEA MOU are as follows: 8hr shift = 96 hrs; 9hr shift = 108 hrs; and 10hr shift = 120 hrs. Under the terms and conditions of the 3/12 schedule, it is agreed that Communications Officers working a 3/12 schedule will receive a holiday hours' bank of ten (10) hours for each holiday in the payroll year should the employee choose a bank of time rather than cashing out of the holiday hours.

a. Time Off Bank

Those employees who choose to take time off in lieu of the holidays will receive a bank of ten (10) hours for each holiday that occurs in the payroll year. These employees will be required to record on their timesheets the hours that correspond with their regular workday shift and schedule. The hours will be available the first pay period of the new payroll year. The Senior Communications Supervisor shall approve or deny the time off request and approval will be based upon available staffing needs and the needs of the employee. At the end of the payroll year, any remaining hours will be carried over to the next payroll year (however, the subsequent year's bank, shall be reduced by the number of hours carried over).

For purposes of further clarification regarding the payroll year, if the employee chooses the "Time Off", the employee will receive, as stated above, 10 hours for each holiday in the upcoming payroll year. Due to the fact that payroll calendar year will vary, in some years the employee might receive 110 hours of Holiday Time off (11 holidays actually occurring in the payroll year). In another payroll year the amount could be a maximum of 130 hours (13 holidays actually occurring in the payroll year).

b. Cash-out Option

Employees who choose the cash out option will receive the holiday pay bank of 96 hours (8 hours for each holiday occurring in the payroll year) beginning the first pay period for the new payroll year. The holiday pay bank may be cashed out at anytime during the year. At the end of the payroll year, any remaining holiday pay will be cashed out unless the employee previously elects to have it applied as accrued vacation. Throughout the payroll year, if an employee, who has selected this option, decides to take a holiday off, they must use either vacation or comp time, not holiday time.

For clarification purposes, due to the fact that payroll year will vary from the calendar year, in some years the employee will receive 88 hours of Holiday time for cash-out (11 holidays actually occurring in the payroll year at 8 hours each) and in some years it will be 104 hours for cash-out (13 holidays actually occurring in the payroll year at 8 hours each).

8. Employees' Well Being

The City is concerned about the possible impacts of the on-going 3/12 schedule on the employees and the well being of the Communications Officers is of foremost concern. Should the 3/12 schedule result in any negative impacts to the employees or the employees' health, the trial period may be shortened or terminated. Such concerns and matters will be evaluated by monitoring sick leave usage and workers' compensation claims as well as other relevant factors.

9. Work Schedule Form – Designation of FLSA Work Period

To comply with the Fair Labor Standards Act (FLSA), each non-exempt employee, both full time and part-time, must complete a "Notification of Work Schedule & FLSA Work Period" form before implementation of the 3-12 Schedule and also before each permanent shift change. This is necessary because each Communications Officer may have an FLSA work period that differs from their payroll pay period.

10. Final Pay Check Calculations at Termination of Employment and the FLSA Work Period Schedule

Due to the various beginning and ending dates of the differing FLSA work periods under the 3/12 schedule, the calculations of an employee's final paycheck may not equate to a full 80 hours. While all hours worked will always be accounted for, the final day worked may not always be the final day of the FLSA work period.

At the time of separation from the City, the employee's final paycheck will include compensation for actual hours worked plus all accrued leave time "pay offs" as stated in MOU. If for any reason the employee at the time of separation works over the 80 regular hours during pay period, all the time above 80 hrs will be paid as overtime.

At the time of separation, any Unused Holiday Time Off that has been banked will be pro-rated for those holidays that have actually occurred and converted to the cash out option, at 8 hours for each pro-rated holiday up the employee's date of separation, and paid to the employee as a cash value.

If the employee Used Holiday Time Off, and the holiday(s) for that "time off" have not yet occurred as of the separation date, the value of 10 hours for that holiday time used will be deducted from the final paycheck. This deduction will be calculated based upon the hourly rate that was in effect when the employee took the time off.

If the employee Cashed-out Holiday Time at the beginning of the payroll year, and the holiday(s) for that "cash-out" have not yet occurred as of the separation date, the value of 8 hours for each holiday cashed-out will be deducted from the final paycheck. This deduction will be calculated based upon the hourly rate that was in effect when the employee took the cash-out.

11. On-going Review and evaluation - Reverting to 5-Day/8-Hour Work Schedule

The Communications Officers and the City understand and agree that if the modified schedule negatively impacts operations of the Telecommunications Center, as determined by management, the Communications Officers will revert to the previous 5-day/8-hour work schedule. The 3/12 schedule will be evaluated from the date of implementation, January 8, 2006, through its sunset date of July 7, 2007.

During this evaluation period, there will be on-going review and assessment by the Administrative Services Director and the Telecommunications Manager. Information from these evaluations and assessments will be communicated to the City Manager for his review. At the end of the 18 months, the 3/12 schedule will be evaluated for continuation based upon the positive and any negative impacts to the community and operations. However, negative
